

## A vibrant, child-friendly illustration. At the bottom, two young children with bright red hair and rosy cheeks peek over a large, soft white cloud. The girl on the left has a white bow in her hair. Above the children is a large, multi-colored rainbow arch. The rainbow is decorated with various icons representing different activities: a paint palette, musical notes, a globe, a book, a flower, a fruit basket, a cup, and a pencil. The background is a solid light blue.
